

FINAL BILL APPLICATION

A Final Bill Application must be filled out and returned to us in no less than 10 working days prior to the closing date for the sale of a property.

If you have any questions regarding this matter, please contact Customer Service at 412-255-2423 (Press 5).

PLEASE NOTE THE FOLLOWING:

1. Final bills are only necessary when there is a sale of a property. They should not be requested when a tenant is vacating a property or when an owner is refinancing.
2. If there is a cancellation, delay or change in the sale of property, please notify PWSA *immediately* so that we can take appropriate action.
3. Please note that any active Zipcheck accounts associated with the property in question will be closed upon receipt of a completed application.
4. Incomplete or incorrect forms will be returned for completion or correction and may delay the preparation of a final bill.
5. Final bills will be issued as close to the given closing date as possible, unless follow-up work is necessary to obtain a final water meter reading.
6. Final Bill Applications will not be taken over the telephone. All requests must be submitted online via a webform or in writing via a completed form, and only one application per account will be accepted. (This one application rule does not apply to commercial accounts with more than one domestic, or domestic and fire line, services.)
7. Please provide the current owner's account number on the application. If the account number is not available, please provide the ward, block and lot number.
8. Please provide a meter reading from the internal or crock water meter (black plastic or copper base); do not read the gas or electric meter.
9. Please indicate whether you would like the final bill to be emailed or mailed and provide the email or mailing address.
10. **A \$20.30 service fee will be assessed to each final bill and is payable at the time of the closing. Please do not send payment with the Final Bill Application.**
11. **When paying the service fee, please ensure the account number and/or service address is listed on the final form of payment for processing.**
